

Zero to Trading in 21 Days

Day 5: How to Find a Stock

Learn:

Test your knowledge and understanding of the concepts presented in the video.

Review:

Summarize the main points and concepts from the video.

Apply:

Demonstrate how you will apply the concepts from the video into your own trading.

- What is liquidity?
- In the video, what is a general starting point for minimum price and volume for selecting a stock?

- How would you describe the “eyeball approach” to finding stocks?
- How would you summarize the approach of using screeners or scanners to find stocks?
- How would you summarize the “top down” approach to finding stocks?

- In your trading plan, write out your rules for selecting securities.
- Using all three techniques in the video, select five to seven securities, and create a watchlist on the trading platform comprised of these securities.
